

PREFERRED SUPPLIER DIVISION

Resorts of Ontario is a provincial Trade Association representing the resort sector of Ontario's vital tourism industry.

Previously known as the Allied Division of Resorts of Ontario, our Preferred Supplier Division has earned a strong reputation for providing products and services with a motto for quality and service. This trademark established by the Preferred Supplier Board is held in high esteem and endorsed by Resorts of Ontario.

Resorts of Ontario provides several opportunities and vehicles for our Preferred Suppliers to network with resort owners and managers, the key purchase decision makers for our members. This combination is unique in the industry, presenting many opportunities for conducting business with resort members.

We welcome your interest in learning more about our Association, and encourage you to join as a Preferred Supplier.

2010 PURCHASING DIRECTORY

The Resorts of Ontario Preferred Supplier Purchasing Directory is an excellent reference for resort members when purchasing supplies and services throughout the course of the year.

The Purchasing Directory a 4" x 9" Guide is printed annually in conjunction with our annual Preferred Supplier show and will offer the Preferred Supplier Members an opportunity to highlight their company and product by participating in this advertising program. The Directory has been modified to make it easier for resorts to find and buy your goods and services.

The Preferred Supplier Purchasing Directory is distributed to existing resort members and new and prospective members, all over the province for year round reference.

In a concise yellow page format, the Directory lists products and services alphabetically enabling our members to easily contact the Preferred Suppliers. Preferred Suppliers have an opportunity to be listed under more than one category as well.

Come on up to our Trade Show.

Resorts of Ontario's will be hosting an Accommodation Trade Show to be held March 23/24, 2010 at the Blue Mountain Resort Conference Centre, Huron Room, Collingwood ON. Set-up is scheduled the day before the Tradeshow.

The Trade Show is scheduled from March 23 from 12 Noon – 5 pm and March 24th from 9:00 a.m. - 12:00 noon. This is of great benefit to our Preferred Supplier members as this showcase enables resort members attending this show to make their purchasing decisions for the upcoming season, as well as to become acquainted with new product, services, and directly with the supplier representatives.

Booth space is available to all Preferred Supplier Members at an additional cost, and exhibitor information from our recent show is available upon request.

Plan on attending next year's Conference for an unparalleled networking opportunity!

Once members join, we announce and welcome the Company, advising members of the address, telephone and contact of the respective companies.
